TAKE NOTICE: Your rights may be affected. You should read this amendment to the Chapter 13 Plan carefully, including any motions contained in the amended plan, and discuss them with your attorney, if you have one, in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you do not want the Court to confirm the proposed plan of the debtor or debtors ("Debtor") as amended, including any of the motions included in the amended plan, or if you want the Court to consider your views on these matters, then you or your attorney must file with the Court a written objection to confirmation and request for hearing on confirmation at the following addresses:

Cases filed in the **Charlotte, Shelby, or Wilkesboro** Divisions:

Your objection to confirmation and request for hearing must include the specific reasons for your objection and must be filed with the Court no later than 14 days following the conclusion of the § 341 meeting of creditors, or within 14 days of service of the amendment, whichever is later. If you mail your objection to confirmation to the Court for filing, you must mail it early enough so that the Court will receive it on or before the deadline stated above. You must also serve a copy of your objection to confirmation on the Debtor at the address listed in the notice of the meeting of creditors. The Debtor's attorney and the Chapter 13 Trustee will be served electronically. If any objections to confirmation are filed with the Court, the objecting party will provide written notice of the date, time, and location of the hearing. No hearing will be held unless an objection to confirmation is filed.

If you or your attorney do not take these steps, the Court may decide that you do not oppose the proposed plan of the Debtor as amended, including any motions contained in the amended plan, and may enter an order confirming the amended plan and granting the motions. **Any creditor's failure to object to confirmation of the proposed plan as amended shall constitute the creditor's acceptance of the treatment of its claim as proposed, pursuant to 11 U.S.C. § 1325(a)(5)(A).**
